Introducing:

[h1]:

TOMBOLA!

[body text]:

At regular intervals, **SPOBI** will set up a Tombola with prizes available for the lucky users who enter.

You'll have a chance to win:

- Opportunity to buy Special Coupon Discounts!
- Cash or SPOC Vouchers!
- Other great gifts, products or offers!

[h2]:

How does it work?

[body text]:

- A Tombola will run for a set amount of time - users will have time to look out for items they want and collect SPOCS to buy tickets.
- Each Tombola ticket is 5 SPOCs. You can buy as many as you want - the more you buy, the more chances you have to win!
- Each Tombola will have a 'minimum participation coupon' of around 6% of the SPOC value of the prize. You won't need to buy this, but you must have enough SPOCS in your digital wallet to cover that amount.
- The amount of SPOCs needed for the coupon will be 'blocked' until after the Tombola.
- When the Tombola deadline arrives, winners will be notified by email, announced to the SPOBI community, and the prizes transferred!

[h3]:

If you don't win in the Tombola you entered, don't worry!

[body text]:

You do not lose your SPOCs - they will be unblocked in your digital wallets for you to use to play again, or to spend on products in the gallery as usual.
